

Wintergreen Fire & Rescue

Community Paramedicine Program

Keeping You Healthy

At Home

A **free** program serving all of Nelson County to help residents avoid hospitalizations and trips to the emergency room. This patient-centered service allows people to remain at home and connect with existing resources in the community.

Services Include

- Home safety inspections
- Fall prevention education
- Assessments of individual needs
- Connections to community resources
- Connections to primary care services
- Education on management of chronic diseases

Services are provided by paramedics from Wintergreen Fire and Rescue thanks to a grant from the Sentara Martha Jefferson Hospital Foundation.
